Conference: EVALUATING THE COMPLEX

Description

Tweet

Date: 29 â?? 30 May 2008
Venue: Oslo, Norway

Noradâ??s Evaluation Department and Oslo University College is planning to hold a two-days conference entitled *Evaluating the Complex*. The purpose of this conference is to promote interest in and discussions about the role of evaluations in Norway. The main target group is people working professionally with evaluation on different levels; as evaluators, researchers, administrators and users. The conference will take place in Oslo, 29-30 May 2008 at Oslo University College in Pilestredet 35.
