International Course on Participatory Planning, Monitoring and Evaluation â?? Navigating and Managing for Impact

Description

Tweet

Date: 1 Mar 2010 â?? 19 Mar 2010
Venue: Wageningen, Netherlands

Dear colleagues,

I would like to refer you to the succesful course that we are running since 2002 and which this year had 3 parallel courses due to the high number of applications!

This course is organised by Wageningen International, part of Wageningen University and Research Centre. This course focuses on how to manage for impact by integrating strategic guidance, operational management, monitoring and evaluation in a learning environment, whilst navigating the external and internal context. Particular attention is given to designing and institutionalising participatory planning and M&E systems in development initiatives and organisations for continuous learning and enhancing performance. Attention also is paid to the relationship between management information needs and responsibilities and the planning and M&E functions. For more info please visit our website: http://www.cdic.wur.nl/UK/newsagenda/agenda/Participatory_planning_monitoring_and_evaluation.htm or contact us: training.wi@wur.nl or cecile.kusters@wur.nl

If your are interested to receive scholarship â?? the deadline is 1st September so please be fast!

Kind regards / Hartelijke groeten,

Cecile Kusters
