Tweet

Date: 10th March, 2008
Venue: Brussels, Belgium

TrainEval is an advanced training programme for evaluation in development, which has been further adapted to the specific requirements of the European development cooperation and the EC evaluation approach. It has successfully been implemented for the first time since February 2008.

The programme has been developed from experienced trainers and evaluators to respond to the increasing demand for evaluation expertise and its professionalization. It is offering a qualification opportunity in development evaluation for consultants, project and evaluation managers of implementing agencies as well as for representatives from financing agencies.

TrainEval is offered by Euronet Consulting EEIG and AGEG Consultants eG. Euronet Consulting EEIG is a pan-European network of established consultancies with its headquarters in Brussels. Since 17 years, we are working closely with the European Commission in the provision of consulting services for development cooperation. Our member company, AGEG Consultants eG, is a consulting firm in development cooperation with longstanding experience in evaluation, project management and training. Together with a German Centre for Evaluation (CEval), AGEG Consultants eG has developed a training programme in development evaluation, which has been successfully conducted in Germany for 6 years so far (www.feez.org).

On the basis of this experience, we are now offering TrainEval, as advanced training programme in development cooperation, which has been further adapted to the specific requirements of the European development cooperation and the EC evaluation approach.

TrainEval is composed of 4 modules of 4 days each, which will take place in Brussels between March 2009 and July 2009. Please find enclosed first information. Further information as well as details about conditions of participation are available at our homepage www.traineval.org. The course itself as well as all course materials will be provided in English only.

The course fee is as follows: Complete programme: 4300 â?¬ + VAT
Single module: 1280 â?¬ + VAT

Please be aware that we offer early bookers reduction: if you book the complete programme or a single module before 5th of January 2009, the course fee (net) will be reduced by 5%.

The deadline for application is the 13 February 2009. We expect high demand for the course and therefore recommend booking as soon as possible. Please find attached the registration form which is also available on our website.

For more information on content, schedule and registration process, please visit our homepage www.traineval.org and feel free to send us your requests.
