## Michael Scriven teaches a?? An Introduction to Evaluationa? online

## **Description**

**Tweet** 

Date: Oct. 11-12 and Nov. 1-2, 2008

Venue: Claremont Graduate University, California

Four Days of Evaluation Training with a Master in the Field: Michael Scriven teaches â??An Introduction to Evaluationâ?•

Dr. Michael Scriven, one of the founders of Evaluation Science as a modern discipline, will be offering two 2-day courses on the foundations, power, and practice of evaluation. These courses will be taught in a live virtual classroom environment, and are open to the public. Thanks to the online nature of the course, these are available to anyone anywhere on the globe.

Save Your Seat Today: Total cost: \$350 for four sessions

Full course descriptions are available on our website. Donâ??t miss your chance to learn firsthand from this giant in the field!

Meeting Schedule: Oct/11/08 and Oct/12/08 (Part I) Nov/1/08 and Nov/2/08 (Part II) 10 am to 1 pm PST

Technology Requirements: Computer microphone and speakers required. (Webcam not required, but can be a plus.)
