Date: December 2008

Join us in December 2008 in Vienna for a one-week course covering the fundamental issues of monitoring and evaluation (M&E) for programs and projects. The course is organized by the World Bank Institute Evaluation Group â?? with experience teaching over 4,000 participants across 60 countries in the last decade â?? and taught by senior evaluation experts. Combining both attention to M&E theory and practical applications, the 30 participants completing the course will gain knowledge and experience on M&E tools, techniques, and resources needed for M&E planning, organizing, and/or managing programs and projects.

1st offering: December 8 (Mon) â?? 12 (Fri), 2008 (available in English or Russian)
2nd offering: December 15 (Mon) â?? 19 (Fri), 2008 (available in English only)
