Training in Evaluation of Conflict Prevention and Peacebuilding Programmes

Description

Tweet

Date: 15-18 SEPTEMBER 2008
Venue: near Brussels

This course based on new guidelines established by the OECD, provides methodologies for carrying out assessments of conflict situations and, subsequently, evaluating the performance of peace-building and conflict prevention activities in a seminar format. The course is intended for those with experience in evaluations, and an interest in, and general experience of, conflict situations. The participants in previous years have come from both aid agencies (headquarters and field personnel), donor governments, consultancies and academia. The course is facilitated by Emery Brusset, Director of Channel Research, and Tony Vaux, an expert on conflicts, and will take place near Brussels.
