This is the start of what I hope will be an extended list of M&E newsletters, available by email or by hard copy. Please suggest other newsletters to be included on this list, by using the Comment facility below.

- MEASURE Evaluation works around the world to empower host-country institutions and people to identify, collect, analyze, and use technically sound information to improve health and well-being. **Monitor** delivers MEASURE Evaluation news, developments and publications right to your inbox. Subscribe to Monitor or update your email address by sending an email with your name to measure_monitor@unc.edu.
