Date: Tuesday, May 12th
Venue: Internet

UNICEF CEE/CIS, WHO/PAHO and DevInfo, in partnership with IDEAS (International Development Evaluation Association) and IOCE (International Organization for Cooperation in Evaluation), are pleased to announce the Live webcast event on Real World Evaluation with Jim Rugh and Michael Bamberger on Tuesday, May 12th, at 10 AM Washington time.

This Event is organized within the monthly Knowledge Sharing Events on Country-led M&E systems. It is free and open to interested people. This event will enable the sharing of good practices and lessons learned. Global-level speakers will contribute international perspectives. In addition to watching live presentations, you will have the option to ask questions and provide comments. You may attend virtually from your personal or work computer anywhere in the world. You just need a computer, an internet connection, a microphone and speakers.
