Valuing impact: Building an Association of Nonprofit Analysts

Description

Tweet

Date: Tuesday 19 May, 2009
Venue: The Kingâ??s Fund, London

The is the first ever international gathering of its kind, and a groundbreaking event for anyone who is passionate about the performance of nonprofit organisations. Join us if youâ??d like to make contacts and see how we can work together more to share best practice, promote impact measurement, and take the first steps towards creating an Association of Nonprofit Analysts.
