Date: 07 May 2008 â?? 09 May 2008
Venue: London, UK

Training event organised by INTRAC

Course fee: Â£475.00
Number of days: 3
Description:
With increased pressures on delivery and accountability, the need has never been greater for Civil Society and other development organisations to assess the long-term impact of their work. In three fruitful days you will explore the current state of the debate about impact assessment as well as reviewing current practice and methodologies. Learn to assess the effectiveness of your work.Course objectives
â?¢ Understand what is meant by impact assessment and how the concept has emerged
â?¢ Explore the relationship between impact assessment and other forms of evaluative activity
â?¢ Explore different approaches and alternative methodologies in conducting impact assessment
â?¢ Identify ways of getting a representative picture e.g. case studies, sampling methods, and triangulation between quantitative and qualitative data
â?¢ Consider impact assessment in different contexts e.g. in programmes and projects, organisationally, and in advocacy work
