International Aid Transparency Initiative (IATI) First Annual Conference

Description

Tweet

Date: 20th/21st October 2009

Venue: Amazon Auditorium, World Forum, The Hague

â?• In the conference to be opened by Bert Koenders, Dutch Development Minister, participants from donor agencies, partner country governments, and CSOs will come together to explore aid transparency within the broader context of ownership, domestic accountability and mutual accountability. Click here for the draft conference programme. Please contact r-greenhill@dfid.gov.uk for information.
