Country-led monitoring and evaluation systems. Better evidence, better policies, better development results

Description

Tweet

Dear colleagues,

We are pleased to inform you that the book â??Country-led monitoring and evaluation systems. Better evidence, better policies, better development resultsâ?• is now available for free download at http://www.unicef.org/ceecis/resources_10597.html

The book was produced by UNICEF in partnership with the World Bank, UN Economic Commission for Europe, IDEAS (International Development Evaluation Association), IOCE (International organization for Cooperation in Evaluation), DevInfo and MICS.

This publication tries to bring together the vision, lessons learned and good practices from twenty-one stakeholders on how country-led monitoring and evaluation systems can enhance evidence-based policy making.

Please find below the table of content:
