Date: 02-20 March 2009,
Venue: Wageningen, The Netherlands

This course is organised by Wageningen International, part of Wageningen University and Research Centre. The course focuses on how to design and institutionalise participatory planning and M&E systems in projects, programmes and organisations for continuous learning and enhanced performance. Particular attention is paid to navigating and managing for impact and to the relationship between management information needs and responsibilities and the planning and M&E functions. For more info please visit our website: http://www.cdic.wur.nl/UK/newsagenda/agenda Participatory_planning_monitoring_and_evaluation.htm

or contact us: training.wi@wur.nl or cecile.kusters@wur.nl

Participants are coming from all over the world, both government, NGO and academic sector, and mainly in management positions or M&E functions. You are most welcome to join this selective group!
