Michael Quinn Patton, August 2011. Sage publications

Publisherâ??s description:

â??Based on Michael Quinn Pattonâ??s best-selling *Utilization-Focused Evaluation*, this briefer book provides an overall framework and essential checklist steps for designing and conducting evaluations that actually get used. The new material and innovative graphics present the utilization-focused evaluation process as a complex adaptive system, incorporating current understandings about systems thinking and complexity concepts. The book integrates theory and practice, is based on both research and professional experience, and offers new case examples and cartoons with Pattonâ??s signature humor. â?•
