Online workshop: Introduction to Monitoring and Evaluation

Description

Tweet

Date: 1st October and 1st of the month thereafter
Venue: Online at http://pcmitraining.com/course/category.php?id=2

Introduction to Monitoring and Evaluation is a four week interactive e-learning workshop for individuals who are new to the field of monitoring and evaluation or those who wish to formalise their existing understanding which has been developed through work based experience. The course considers important concepts and activities from inception through to outcome evaluation and additionally includes valuable project management and leadership techniques. The course is accredited and requires approximately 7.5 hours participant input per week, including assignments, and is priced at Â£750. The course runs once a month, starting on the 1st of each month. For further information and to enrol, visit:http://pcmitraining.com/course/category.php?id=2
