Meetings on evaluation and complexity

Description

Tweet

(Via Ben Ramalingam)

â??The latest post on Aid on the Edge post compiles presentations and reports from meetings on evaluation and complexity (NORAD, Panos, Mokoro) that have taken place in the past few months and years, as well as planned meetings later this yearâ?•

The list:

- Presentations given at a **2008 NORAD conference â??Evaluating the Complex**â?? â?? Michael Quinn Patonâ??s keynoteand my own seminar presentation
- The full report of the **July 2009 meeting in London**, hosted by Panos, available on the Meetings page
- Details of a forthcoming 2 day conference on Evaluation and Complexity: **Evaluation Revisited: Improving the Quality of Evaluative Practice by Embracing Complexityâ?• â?? May 20-21, 2010, the Netherlands**
