

# Participatory Impact Assessment (1998)

## Description

[Tweet](#)

*Participatory Impact Assessment: A Report on a DFID Funded ActionAid Research Project on Methods and Indicators for Measuring the Impact of Poverty Reduction.* Goyder, Hugh, Rick Davies, Winkie Williamson, and ActionAid (Organization). **1998**. ActionAid.

This does not seem to be available online anywhere, so I have scanned a copy to make it [available as a pdf](#)

It is posted here as an item of historical interest, not as a reflection of what could or should be cutting edge practice in 2013!

BEWARE: IT IS A VERY LARGE FILE

Contents pages:

1	<b>Executive summary</b>
2	<b>Introduction</b>
3	<b>Background and objectives of study</b>
3	Initial assumptions and expectations
4	Research objectives
4	Box 1: <i>The Indicator Dilemma</i>

46	<b>Key lessons from the research</b>
46	Filtering and organisational culture
46	Towards a culture of impact assessment in NGOs
47	The need for greater criticism of the methods themselves
47	Indicators
48	Gender
51	<b>Conclusion</b>
52	<b>Glossary of terms</b>
56	<b>Bibliography</b>
56	Recent ActionAid publications/reports
57	International Education Unit
57	MandE News Website

This 1998 report was based on a set of documents produced by Rick Davies and Winkie Williamson, following their field visits to Bangladesh, India, Ghana and Uganda. The two main summary documents were:

- [Summary-Report: Methods and Indicators for Measuring the Impact of Poverty Reduction: An ODA Funded ActionAid Research Project.](#) Rick Davies and Winkie Williamson, 1997
- [Guidance Notes on Increasing the Participation of the Poor in the Assessment of the Impact of Development Interventions.](#) Rick Davies, 1997. Methods and Indicators for Measuring the Impact of Poverty Reduction: An ODA Funded ActionAid Research Project

The four country specific reports are available on request
