EvalC3 Online is now available

Description

Tweet

For those of you interested in configurational analyses, the use of simple prediction modeling algorithims, and the linking of cross-case and within-case analyses, an online version of EvalC3 is now available and free to use here: https://evalc3online.org/authenticate

Along with extensive linked Help pages:

EvalC3 Online: Introduction: https://evaluatingcomplexity.org/tools/eval-c3
How to use EvalC3 Online: https://evaluatingcomplexity.org/resources/how-to-use-eval-c3-online

See also this large compilation of the the Help pages on the EvalC3 website (soon to be closing)
