

Participatory Impact Assessment (1998)

Description

[Tweet](#)

Participatory Impact Assessment: A Report on a DFID Funded ActionAid Research Project on Methods and Indicators for Measuring the Impact of Poverty Reduction. Goyder, Hugh, Rick Davies, Winkie Williamson, and ActionAid (Organization). **1998**. ActionAid.

This does not seem to be available online anywhere, so I have scanned a copy to make it [available as a pdf](#)

It is posted here as an item of historical interest, not as a reflection of what could or should be cutting edge practice in 2013!

BEWARE: IT IS A VERY LARGE FILE

This 1998 report was based on a set of documents produced by Rick Davies and Winkie Williamson, following their field visits to Bangladesh, India, Ghana and Uganda. The two main summary documents were:

- [Summary-Report: Methods and Indicators for Measuring the Impact of Poverty Reduction: An ODA Funded ActionAid Research Project.](#) Rick Davies and Winkie Williamson, 1997
- [Guidance Notes on Increasing the Participation of the Poor in the Assessment of the Impact of Development Interventions.](#) Rick Davies, 1997. Methods and Indicators for Measuring the Impact of Poverty Reduction: An ODA Funded ActionAid Research Project

The four country specific reports are available on request
