Outcomes monitoring and IT: Finding the best solution

Description

Tweet

Date: 21 May 2009
Venue: London

This exciting new conference is the first time charities will have the chance to meet a range of system providers offering resources that help with outcomes monitoring.

The conference will help you:
Â· learn how IT can help you track the difference you make, save time and cut costs
Â· understand more about the processes involved in implementing an outcomes-based IT system
Â· gain an overview of the range of solutions available
Â· identify specific IT systems that will help you measure the outcomes of your work.

M&E and ICT experts will be on hand throughout the day and a diverse range of system providers will exhibit:

Tmwk Limited, Substance, Lamplight Database Systems Limited, ITsorted, The Gallery Partnership Limited, The Tool Factory, Dizions Limited, Triangle Consulting/, Homeless Link, Social Solutions Inc, Suffolk ACRE

Prices start from Â£85 and delegates will also be offered a discount on CES publications and training.

Delegate places are limited. To book please visit our website at www.outcomesandit.org.uk or contact shafiq@ces-vol.org.uk

Charities Evaluation Services (CES) is the UKâ??s leading provider of training, consultancy and information on evaluation and quality systems in the third sector. We also publish PQASSO, the most widely used quality system in the sector.

CES is an independent charity. We work with third sector organisations and their funders.
